JUAN URIBE

FULL-STACK SOFTWARE ENGINEER

PERSONAL PROFILE

I have a clear, logical mind with a practical approach to problem-solving and a drive to see things through to completion. I have more than three years of experience in electronic automation and almost two years in supervising teams and projects across this line of production. I am eager to learn, I enjoy overcoming challenges, and I have a genuine interest in building my best version.

PERSONAL SKILLS

Self-motivated
Creative
Adaptable
Having an eye for detail
Problem-solver
